

# Rules for Accreditation Holders at the Warsaw Film Festival

The 41st Warsaw International Film Festival will take place **10–19 October 2025** in Warsaw.

## How to use accreditation during the Festival?

- Accreditation entitles the holder to collect **one ticket per chosen screening** (for the same day or the following day).
- Tickets can be reserved online via [www.wff.pl](http://www.wff.pl) from 7:00 AM the day before the screening, until no later than 60 minutes before the screening begins.
- One hour before each screening, any uncollected accreditation/passes tickets are released back into online sale.

Tickets are recorded in the accreditation system and verified at the entrance by scanning the accreditation code.

- Accreditation does not grant entry to the Opening Gala, the Awards Gala, or accompanying events, which require separate invitations or tickets.
- The number of seats available for accreditation holders is limited – tickets are issued on a first-come, first-served basis.
- The same film cannot be seen more than once with a single accreditation.
- Accreditation may not be transferred to third parties.

Accreditation holders without a ticket may be admitted to the cinema from the **last-minute queue**, if seats remain available.
